

# Certificate of Analysis

## Reference Material & Standard

|                    |                                                                  |                   |                                           |
|--------------------|------------------------------------------------------------------|-------------------|-------------------------------------------|
| Product Name:      | N-(3-iodo-5-(trifluoromethyl)pyridin-2-yl)pivalamide             | Catalogue Number: | C1003091                                  |
| Synonyms:          | N/A                                                              | Lot Number:       | 1016-SA-7907                              |
| CAS Number:        | 1002916-67-7                                                     | Expiry Date:      | Oct 15, 29                                |
| Molecular Formula: | C <sub>11</sub> H <sub>12</sub> F <sub>3</sub> IN <sub>2</sub> O | Storage:          | 2°C ~ 8°C Protected from light and Sealed |
| Molecular Weight:  | 372.13                                                           |                   |                                           |

Warning:

Chemical Structure:

| Test Items      | Method            | Results   |
|-----------------|-------------------|-----------|
| Appearance      | Visual inspection | Solid     |
| Identification: | LC&HNMR           | Confirmed |
| Purity:         | HPLC              | 97.080%   |

## Directions:

- 1. Intended use: This product is suitable for identification and quantification of the analyte(s), instrument calibration, method development and quality control in analytical and R&D applications. It is not intended for administration to humans or animals, and shall not be used to diagnose, treat or cure any diseases.*
- 2. Minimum sample size: 1mg is recommended as the minimum sample size.*
- 3. Metrological traceability: This product meets the requirements of ISO 17034 and is traceable to NMI through an unbroken chain of comparisons.*
- 4. Instructions for handling and correct use: Handling in a well-ventilated place.*
