

# Certificate of Analysis

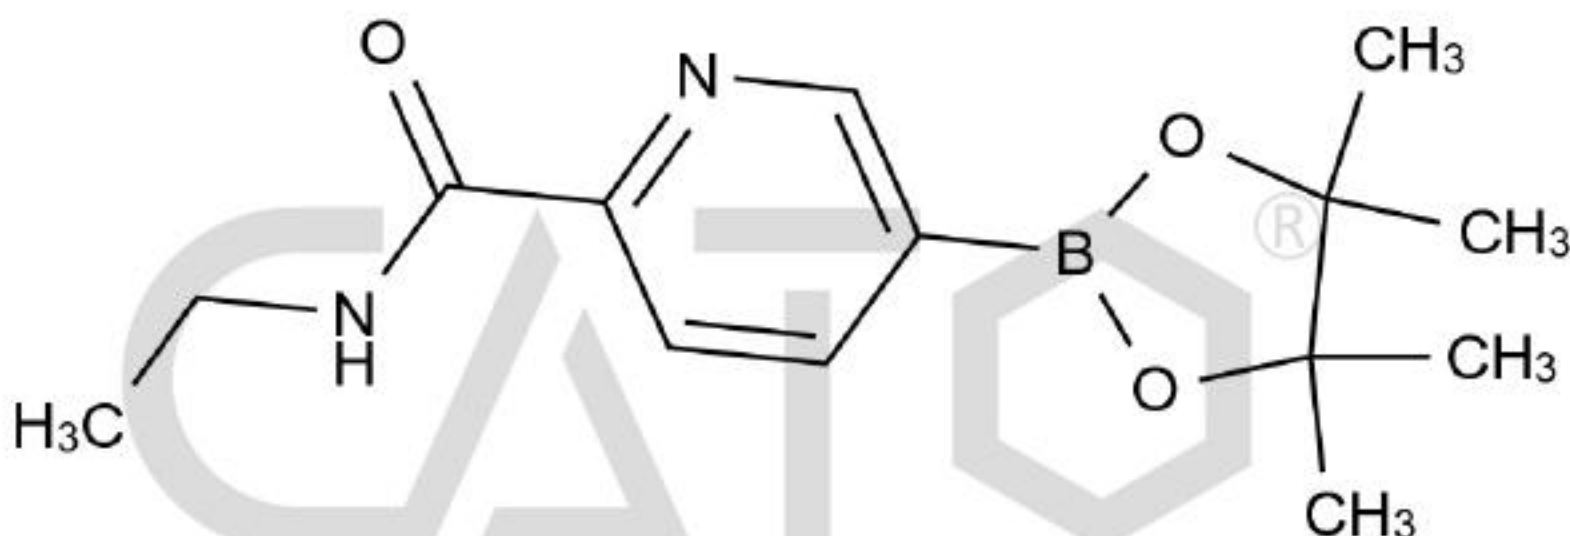

## Reference Material & Standard

|                    |                                                                  |                   |                                           |
|--------------------|------------------------------------------------------------------|-------------------|-------------------------------------------|
| Product Name:      | 2-(Ethylaminocarbonyl)pyridine-5-boronic acid pinacol ester, 97% | Catalogue Number: | C1006651                                  |
| Synonyms:          | N/A                                                              | Lot Number:       | 1104-SA-7658                              |
| CAS Number:        | 1006876-28-3                                                     | Expiry Date:      | Nov 03, 28                                |
| Molecular Formula: | C <sub>14</sub> H <sub>21</sub> BN <sub>2</sub> O <sub>3</sub>   | Storage:          | 2°C ~ 8°C Protected from light and Sealed |
| Molecular Weight:  | 276.14                                                           |                   |                                           |

Warning:

Chemical Structure:

| Test Items      | Method            | Results   |
|-----------------|-------------------|-----------|
| Appearance      | Visual inspection | Solid     |
| Identification: | LC&HNMR           | Confirmed |
| Purity:         | HPLC              | 97.181%   |

## Directions:

1. *Intended use: This product is suitable for identification and quantification of the analyte(s), instrument calibration, method development and quality control in analytical and R&D applications. It is not intended for administration to humans or animals, and shall not be used to diagnose, treat or cure any diseases.*
2. *Minimum sample size: 1mg is recommended as the minimum sample size.*
3. *Metrological traceability: This product meets the requirements of ISO 17034 and is traceable to NMI through an unbroken chain of comparisons.*
4. *Instructions for handling and correct use: Handling in a well-ventilated place.*
