## Reference Material & Standard

|                    |                                                               |                   |                                                                                     |
|--------------------|---------------------------------------------------------------|-------------------|-------------------------------------------------------------------------------------|
| Product Name:      | (3R,5S)-3-(Boc-amino)-5-Methylpiperidine                      | Catalogue Number: | C1192402                                                                            |
| Synonyms:          | N/A                                                           | Lot Number:       | 0624-RG-0051                                                                        |
| CAS Number:        | 1270019-92-5                                                  | Expiry Date:      | Jun 26, 2028                                                                        |
| Molecular Formula: | C <sub>11</sub> H <sub>22</sub> N <sub>2</sub> O <sub>2</sub> | Storage:          | 2°C ~ 8°C Protected from light and Sealed                                           |
| Molecular Weight:  | 214.30                                                        | Warning:          |  |

Chemical Structure:

| Test Items     | Method            | Results     |
|----------------|-------------------|-------------|
| Appearance     | Visual inspection | White Solid |
| Identification | GCMS&IR&HNMR      | Confirmed   |
| Purity         | GC                | 100.0%      |
| Assay          | qNMR              | 98.8%       |

## Comment:

Assay was determined by quantitative <sup>1</sup>H-NMR.
