

# Certificate of Analysis

## Reference Material & Standard

|                           |                                                                              |                          |                                           |
|---------------------------|------------------------------------------------------------------------------|--------------------------|-------------------------------------------|
| <b>Product Name:</b>      | N1-((2,3-Dihydrobenzo[b][1,4]dioxin-5-yl)methyl)-N1-methylethane-1,2-diamine | <b>Catalogue Number:</b> | C1243536                                  |
| <b>Synonyms:</b>          | N/A                                                                          | <b>Lot Number:</b>       | 0907-SA-7695                              |
| <b>CAS Number:</b>        | 1353959-17-7                                                                 | <b>Expiry Date:</b>      | Sep 06, 28                                |
| <b>Molecular Formula:</b> | C <sub>12</sub> H <sub>18</sub> N <sub>2</sub> O <sub>2</sub>                | <b>Storage:</b>          | 2°C ~ 8°C Protected from light and Sealed |
| <b>Molecular Weight:</b>  | 222.28                                                                       |                          |                                           |

Warning:

Chemical Structure:

| Test Items      | Method            | Results   |
|-----------------|-------------------|-----------|
| Appearance      | Visual inspection | Solid     |
| Identification: | LC&HNMR           | Confirmed |
| Purity:         | HPLC              | 97.667%   |

## Directions:

- 1. Intended use: This product is suitable for identification and quantification of the analyte(s), instrument calibration, method development and quality control in analytical and R&D applications. It is not intended for administration to humans or animals, and shall not be used to diagnose, treat or cure any diseases.*
- 2. Minimum sample size: 1mg is recommended as the minimum sample size.*
- 3. Metrological traceability: This product meets the requirements of ISO 17034 and is traceable to NMI through an unbroken chain of comparisons.*
- 4. Instructions for handling and correct use: Handling in a well-ventilated place.*
