## Reference Material & Standard

|                    |                                                    |                     |                                                                                      |
|--------------------|----------------------------------------------------|---------------------|--------------------------------------------------------------------------------------|
| Product Name:      | Trazodone EP Impurity C                            | Catalogue Number:   | C1343356                                                                             |
| Synonyms:          | N/A                                                | Lot Number:         | 0928-RH-0077                                                                         |
| CAS Number:        | 157072-19-0                                        | Expiry Date:        | Sep 29, 2030                                                                         |
| Molecular Formula: | C <sub>19</sub> H <sub>22</sub> ClN <sub>5</sub> O | Storage:            | 2°C ~ 8°C Protected from light and Sealed                                            |
| Molecular Weight:  | 371.86                                             | Shipping Condition: | Shipping at Room Temperature                                                         |
| Solubility:        | Acetonitrile                                       | Warning:            |  |

Chemical Structure:

| Test Items     | Method            | Results            |
|----------------|-------------------|--------------------|
| Appearance     | Visual inspection | Light Yellow Solid |
| Identification | LCMS&HNMR         | Confirmed          |
| Purity         | HPLC              | 100.0%             |
| Assay          | qNMR              | 99.5%              |
