

# Certificate of Analysis

## Reference Material & Standard

|                    |                                                                                 |                   |                                           |
|--------------------|---------------------------------------------------------------------------------|-------------------|-------------------------------------------|
| Product Name:      | Sulfonyl NHS LC biotin                                                          | Catalogue Number: | C1442040                                  |
| Synonyms:          | N/A                                                                             | Lot Number:       | 0721-SA-7764                              |
| CAS Number:        | 191671-46-2                                                                     | Expiry Date:      | Jul 20, 27                                |
| Molecular Formula: | C <sub>20</sub> H <sub>30</sub> N <sub>4</sub> O <sub>9</sub> S <sub>2</sub> Na | Storage:          | -20°C±5°C Protected from light and Sealed |
| Molecular Weight:  | 534.60 22.99                                                                    |                   |                                           |

Warning:

Chemical Structure:

| Test Items      | Method            | Results   |
|-----------------|-------------------|-----------|
| Appearance      | Visual inspection | Solid     |
| Identification: | LC&HNMR           | Confirmed |
| Purity:         | HPLC              | 98.638%   |

## Directions:

1. *Intended use: This product is suitable for identification and quantification of the analyte(s), instrument calibration, method development and quality control in analytical and R&D applications. It is not intended for administration to humans or animals, and shall not be used to diagnose, treat or cure any diseases.*
2. *Minimum sample size: 1mg is recommended as the minimum sample size.*
3. *Metrological traceability: This product meets the requirements of ISO 17034 and is traceable to NMI through an unbroken chain of comparisons.*
4. *Instructions for handling and correct use: Handling in a well-ventilated place.*
