## Reference Material & Standard

|                    |                                                                 |                     |                                           |
|--------------------|-----------------------------------------------------------------|---------------------|-------------------------------------------|
| Product Name:      | Goserelin EP Impurity L                                         | Catalogue Number:   | C1443082                                  |
| Synonyms:          | N/A                                                             | Lot Number:         | 0625-RH-0084                              |
| CAS Number:        | 1926163-38-3                                                    | Expiry Date:        | Jun 29, 2030                              |
| Molecular Formula: | C <sub>59</sub> H <sub>84</sub> N <sub>18</sub> O <sub>14</sub> | Storage:            | -20°C±5°C Protected from light and Sealed |
| Molecular Weight:  | 1269.41                                                         | Shipping Condition: | Shipping with Ice Packs                   |

Warning:

Chemical Structure:

| Test Items     | Method            | Results     |
|----------------|-------------------|-------------|
| Appearance     | Visual inspection | White Solid |
| Identification | LCMS&HNMR         | Confirmed   |
| Purity         | HPLC              | 99.2%       |
