

# Certificate of Analysis

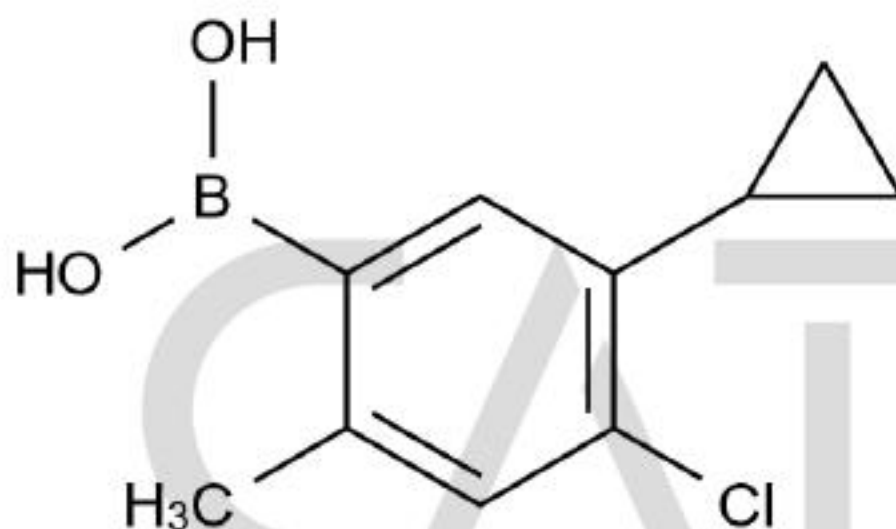

## Reference Material & Standard

|                           |                                                     |                          |                                           |
|---------------------------|-----------------------------------------------------|--------------------------|-------------------------------------------|
| <b>Product Name:</b>      | (4-Chloro-5-cyclopropyl-2-methylphenyl)boronic acid | <b>Catalogue Number:</b> | C1478990                                  |
| <b>Synonyms:</b>          | N/A                                                 | <b>Lot Number:</b>       | 0116-SA-7492                              |
| <b>CAS Number:</b>        | 2225171-91-3                                        | <b>Expiry Date:</b>      | Jan 15, 30                                |
| <b>Molecular Formula:</b> | C <sub>10</sub> H <sub>12</sub> BClO <sub>2</sub>   | <b>Storage:</b>          | 2°C ~ 8°C Protected from light and Sealed |
| <b>Molecular Weight:</b>  | 210.47                                              |                          |                                           |

Warning:

Chemical Structure:

| Test Items      | Method            | Results   |
|-----------------|-------------------|-----------|
| Appearance      | Visual inspection | Solid     |
| Identification: | LC&HNMR           | Confirmed |
| Purity:         | HPLC              | 97.916%   |

## Directions:

1. *Intended use: This product is suitable for identification and quantification of the analyte(s), instrument calibration, method development and quality control in analytical and R&D applications. It is not intended for administration to humans or animals, and shall not be used to diagnose, treat or cure any diseases.*
2. *Minimum sample size: 1mg is recommended as the minimum sample size.*
3. *Metrological traceability: This product meets the requirements of ISO 17034 and is traceable to NMI through an unbroken chain of comparisons.*
4. *Instructions for handling and correct use: Handling in a well-ventilated place.*
