

# Certificate of Analysis

## Reference Material & Standard

|                           |                                                               |                          |                                           |
|---------------------------|---------------------------------------------------------------|--------------------------|-------------------------------------------|
| <b>Product Name:</b>      | (4-Ethoxy-3-(trifluoromethyl)phenyl)boronic acid              | <b>Catalogue Number:</b> | C1479390                                  |
| <b>Synonyms:</b>          | N/A                                                           | <b>Lot Number:</b>       | 1114-SA-7938                              |
| <b>CAS Number:</b>        | 871329-83-8                                                   | <b>Expiry Date:</b>      | Nov 13, 28                                |
| <b>Molecular Formula:</b> | C <sub>9</sub> H <sub>10</sub> BF <sub>3</sub> O <sub>3</sub> | <b>Storage:</b>          | 2°C ~ 8°C Protected from light and Sealed |
| <b>Molecular Weight:</b>  | 233.98                                                        |                          |                                           |

Warning:

Chemical Structure:

| Test Items      | Method            | Results   |
|-----------------|-------------------|-----------|
| Appearance      | Visual inspection | Solid     |
| Identification: | LC&HNMR           | Confirmed |
| Purity:         | HPLC              | 96.824%   |

## Directions:

- 1. Intended use: This product is suitable for identification and quantification of the analyte(s), instrument calibration, method development and quality control in analytical and R&D applications. It is not intended for administration to humans or animals, and shall not be used to diagnose, treat or cure any diseases.*
- 2. Minimum sample size: 1mg is recommended as the minimum sample size.*
- 3. Metrological traceability: This product meets the requirements of ISO 17034 and is traceable to NMI through an unbroken chain of comparisons.*
- 4. Instructions for handling and correct use: Handling in a well-ventilated place.*
