

# Certificate of Analysis

## Reference Material & Standard

|                           |                                                        |                          |                                           |
|---------------------------|--------------------------------------------------------|--------------------------|-------------------------------------------|
| <b>Product Name:</b>      | (5-Chloro-6-(4-methoxyphenyl)pyridin-3-yl)boronic acid | <b>Catalogue Number:</b> | C1482313                                  |
| <b>Synonyms:</b>          | N/A                                                    | <b>Lot Number:</b>       | 0118-SA-7099                              |
| <b>CAS Number:</b>        | 2225156-00-1                                           | <b>Expiry Date:</b>      | Jan 17, 30                                |
| <b>Molecular Formula:</b> | C <sub>12</sub> H <sub>11</sub> BClNO <sub>3</sub>     | <b>Storage:</b>          | 2°C ~ 8°C Protected from light and Sealed |
| <b>Molecular Weight:</b>  | 263.48                                                 |                          |                                           |

Warning:

Chemical Structure:

| Test Items      | Method            | Results   |
|-----------------|-------------------|-----------|
| Appearance      | Visual inspection | Solid     |
| Identification: | LC&HNMR           | Confirmed |
| Purity:         | HPLC              | 97.048%   |

## Directions:

1. *Intended use: This product is suitable for identification and quantification of the analyte(s), instrument calibration, method development and quality control in analytical and R&D applications. It is not intended for administration to humans or animals, and shall not be used to diagnose, treat or cure any diseases.*
2. *Minimum sample size: 1mg is recommended as the minimum sample size.*
3. *Metrological traceability: This product meets the requirements of ISO 17034 and is traceable to NMI through an unbroken chain of comparisons.*
4. *Instructions for handling and correct use: Handling in a well-ventilated place.*
