

# Certificate of Analysis

## Reference Material & Standard

|                    |                                                        |                   |                                                                                     |
|--------------------|--------------------------------------------------------|-------------------|-------------------------------------------------------------------------------------|
| Product Name:      | 4-Amino-2,6-bis(pyrrolidin-1-ylmethyl)phenol 3HCl      | Catalogue Number: | C1711477                                                                            |
| Synonyms:          | N/A                                                    | Lot Number:       | 0308-RF-0061                                                                        |
| CAS Number:        | 85236-52-8                                             | Expiry Date:      | Mar 26, 2028                                                                        |
| Molecular Formula: | C <sub>16</sub> H <sub>25</sub> N <sub>3</sub> O 3*HCl | Storage:          | 2°C ~ 8°C Protected from light and Sealed                                           |
| Molecular Weight:  | 275.39 3*36.46                                         | Warning:          |  |

Chemical Structure:

| Test Items       | Method            | Results         |
|------------------|-------------------|-----------------|
| Appearance       | Visual inspection | Off-White Solid |
| Identification   | LCMS&IR&HNMR      | Confirmed       |
| Purity           | HPLC              | 98.2%           |
| Assay(Free base) | qNMR              | 64.3%           |

## Comment:

Assay was determined by quantitative <sup>1</sup>H-NMR.
