

# Certificate of Analysis

## Reference Material & Standard

|                    |                                                    |                     |                                                                                      |
|--------------------|----------------------------------------------------|---------------------|--------------------------------------------------------------------------------------|
| Product Name:      | 4-Amino-2-chloro-N,N-diethylbenzamide              | Catalogue Number:   | C1711584                                                                             |
| Synonyms:          | N/A                                                | Lot Number:         | 0226-RH-0034                                                                         |
| CAS Number:        | 926231-58-5                                        | Expiry Date:        | Feb 27, 2030                                                                         |
| Molecular Formula: | C <sub>11</sub> H <sub>15</sub> ClN <sub>2</sub> O | Storage:            | 2°C ~ 8°C Protected from light and Sealed                                            |
| Molecular Weight:  | 226.70                                             | Shipping Condition: | Shipping at Room Temperature                                                         |
| Solubility:        | Acetonitrile                                       | Warning:            |  |

Chemical Structure:

| Test Items     | Method            | Results      |
|----------------|-------------------|--------------|
| Appearance     | Visual inspection | Yellow Solid |
| Identification | LCMS&HNMR         | Confirmed    |
| Purity         | HPLC              | 99.9%        |
