

# Certificate of Analysis

## Reference Material & Standard

|                           |                                                                |                          |                                           |
|---------------------------|----------------------------------------------------------------|--------------------------|-------------------------------------------|
| <b>Product Name:</b>      | 4-Bromo-2-(5-(pyridin-3-yl)-4,5-dihydro-1H-pyrazol-3-yl)phenol | <b>Catalogue Number:</b> | C1714476                                  |
| <b>Synonyms:</b>          | N/A                                                            | <b>Lot Number:</b>       | 0425-SA-7181                              |
| <b>CAS Number:</b>        | 370074-36-5                                                    | <b>Expiry Date:</b>      | Apr 24, 28                                |
| <b>Molecular Formula:</b> | C <sub>14</sub> H <sub>12</sub> BrN <sub>3</sub> O             | <b>Storage:</b>          | 2°C ~ 8°C Protected from light and Sealed |
| <b>Molecular Weight:</b>  | 318.17                                                         |                          |                                           |

**Warning:**

**Chemical Structure:**

| Test Items      | Method            | Results   |
|-----------------|-------------------|-----------|
| Appearance      | Visual inspection | Solid     |
| Identification: | LC&HNMR           | Confirmed |
| Purity:         | HPLC              | 97.463%   |

## Directions:

- 1. Intended use: This product is suitable for identification and quantification of the analyte(s), instrument calibration, method development and quality control in analytical and R&D applications. It is not intended for administration to humans or animals, and shall not be used to diagnose, treat or cure any diseases.*
- 2. Minimum sample size: 1mg is recommended as the minimum sample size.*
- 3. Metrological traceability: This product meets the requirements of ISO 17034 and is traceable to NMI through an unbroken chain of comparisons.*
- 4. Instructions for handling and correct use: Handling in a well-ventilated place.*
