

# Certificate of Analysis

## Reference Material & Standard

|                           |                                                      |                            |                                                                                      |
|---------------------------|------------------------------------------------------|----------------------------|--------------------------------------------------------------------------------------|
| <b>Product Name:</b>      | 4-(5,5-Dimethyl-1,3,2-dioxaborinan-2-yl)benzonitrile | <b>Catalogue Number:</b>   | C1721990                                                                             |
| <b>Synonyms:</b>          | N/A                                                  | <b>Lot Number:</b>         | 0601-RH-0064                                                                         |
| <b>CAS Number:</b>        | 214360-44-8                                          | <b>Expiry Date:</b>        | Jun 02, 2030                                                                         |
| <b>Molecular Formula:</b> | C <sub>12</sub> H <sub>14</sub> BNO <sub>2</sub>     | <b>Storage:</b>            | 2°C ~ 8°C Protected from light and Sealed                                            |
| <b>Molecular Weight:</b>  | 215.06                                               | <b>Shipping Condition:</b> | Shipping at Room Temperature                                                         |
| <b>Solubility:</b>        | Acetonitrile                                         | <b>Warning:</b>            |  |

Chemical Structure:

| Test Items     | Method            | Results     |
|----------------|-------------------|-------------|
| Appearance     | Visual inspection | White Solid |
| Identification | GCMS&HNMR         | Confirmed   |
| Purity         | HPLC              | 99.0%       |
| Assay          | qNMR              | 98.4%       |
