

# Certificate of Analysis

## Reference Material & Standard

|                    |                                                |                   |                                                                                     |
|--------------------|------------------------------------------------|-------------------|-------------------------------------------------------------------------------------|
| Product Name:      | 5-Methoxy-1,2,3,4-tetrahydronaphthalen-2-ol    | Catalogue Number: | C1756912                                                                            |
| Synonyms:          | N/A                                            | Lot Number:       | 0710-RF-0067                                                                        |
| CAS Number:        | 32920-08-4                                     | Expiry Date:      | Jul 11, 2027                                                                        |
| Molecular Formula: | C <sub>11</sub> H <sub>14</sub> O <sub>2</sub> | Storage:          | 2°C ~ 8°C Protected from light and Sealed                                           |
| Molecular Weight:  | 178.23                                         | Warning:          |  |

Chemical Structure:

| Test Items     | Method            | Results         |
|----------------|-------------------|-----------------|
| Appearance     | Visual inspection | Off-White Solid |
| Identification | LCMS&HNMR         | Confirmed       |
| Purity         | HPLC              | 98.4%           |
