## Reference Material & Standard

|                           |                                                                    |                          |                                           |
|---------------------------|--------------------------------------------------------------------|--------------------------|-------------------------------------------|
| <b>Product Name:</b>      | Deferasirox Ferrate (III) Tripotassium Complex                     | <b>Catalogue Number:</b> | C1801111                                  |
| <b>Synonyms:</b>          | N/A                                                                | <b>Lot Number:</b>       | 0202-SA-7626                              |
| <b>CAS Number:</b>        | 554445-58-8                                                        | <b>Expiry Date:</b>      | Feb 01, 29                                |
| <b>Molecular Formula:</b> | 2*C <sub>21</sub> H <sub>12</sub> N <sub>3</sub> O <sub>4</sub> Fe | <b>Storage:</b>          | 2°C ~ 8°C Protected from light and Sealed |
| <b>Molecular Weight:</b>  | 2*370.34 55.85                                                     |                          |                                           |

**Warning:**

**Chemical Structure:**

| Test Items      | Method            | Results   |
|-----------------|-------------------|-----------|
| Appearance      | Visual inspection | Solid     |
| Identification: | LC&HNMR           | Confirmed |
| Purity:         | HPLC              | 98.374%   |

## Directions:

1. *Intended use: This product is suitable for identification and quantification of the analyte(s), instrument calibration, method development and quality control in analytical and R&D applications. It is not intended for administration to humans or animals, and shall not be used to diagnose, treat or cure any diseases.*
2. *Minimum sample size: 1mg is recommended as the minimum sample size.*
3. *Metrological traceability: This product meets the requirements of ISO 17034 and is traceable to NMI through an unbroken chain of comparisons.*
4. *Instructions for handling and correct use: Handling in a well-ventilated place.*
