

# Certificate of Analysis

## Reference Material & Standard

|                    |                                                  |                     |                                                                                      |
|--------------------|--------------------------------------------------|---------------------|--------------------------------------------------------------------------------------|
| Product Name:      | N-(3,4-Dichlorophenyl)acetamide                  | Catalogue Number:   | C1858136                                                                             |
| Synonyms:          | N/A                                              | Lot Number:         | 0802-RH-0051                                                                         |
| CAS Number:        | 2150-93-8                                        | Expiry Date:        | Aug 04, 2030                                                                         |
| Molecular Formula: | C <sub>8</sub> H <sub>7</sub> Cl <sub>2</sub> NO | Storage:            | 2°C ~ 8°C Protected from light and Sealed                                            |
| Molecular Weight:  | 204.05                                           | Shipping Condition: | Shipping at Room Temperature                                                         |
| Solubility:        | Acetonitrile                                     | Warning:            |  |

Chemical Structure:

| Test Items     | Method            | Results         |
|----------------|-------------------|-----------------|
| Appearance     | Visual inspection | Off-White Solid |
| Identification | LCMS&HNMR         | Confirmed       |
| Purity         | HPLC              | 100.0%          |
