

# Certificate of Analysis

## Reference Material & Standard

|                    |                                                  |                     |                                                                                      |
|--------------------|--------------------------------------------------|---------------------|--------------------------------------------------------------------------------------|
| Product Name:      | 3-(p-Chlorophenethyl)picolinonitrile             | Catalogue Number:   | C1916393                                                                             |
| Synonyms:          | N/A                                              | Lot Number:         | 0407-RH-0154                                                                         |
| CAS Number:        | 31255-55-7                                       | Expiry Date:        | Apr 09, 2030                                                                         |
| Molecular Formula: | C <sub>14</sub> H <sub>11</sub> ClN <sub>2</sub> | Storage:            | 2°C ~ 8°C Protected from light and Sealed                                            |
| Molecular Weight:  | 242.70                                           | Shipping Condition: | Shipping at Room Temperature                                                         |
| Solubility:        | Acetonitrile                                     | Warning:            |  |

Chemical Structure:

| Test Items     | Method            | Results     |
|----------------|-------------------|-------------|
| Appearance     | Visual inspection | White Solid |
| Identification | LCMS&HNMR         | Confirmed   |
| Purity         | HPLC              | 99.4%       |
| Assay          | qNMR              | 97.4%       |
