

# Certificate of Analysis

## Reference Material & Standard

|                           |                                                   |                          |                                           |
|---------------------------|---------------------------------------------------|--------------------------|-------------------------------------------|
| <b>Product Name:</b>      | D-α-Hydroxyglutaric acid disodium salt            | <b>Catalogue Number:</b> | C3D-2407                                  |
| <b>Synonyms:</b>          | N/A                                               | <b>Lot Number:</b>       | 1022-SA-7411                              |
| <b>CAS Number:</b>        | 103404-90-6                                       | <b>Expiry Date:</b>      | Oct 21, 26                                |
| <b>Molecular Formula:</b> | C <sub>5</sub> H <sub>6</sub> O <sub>5</sub> 2*Na | <b>Storage:</b>          | 2°C ~ 8°C Protected from light and Sealed |
| <b>Molecular Weight:</b>  | 146.10 2*22.99                                    |                          |                                           |

Chemical Structure:

| Test Items      | Method            | Results                  |
|-----------------|-------------------|--------------------------|
| Appearance      | Visual inspection | White to Off-White Solid |
| Identification: | LC&HNMR           | Confirmed                |
| Purity:         | HPLC              | 98.489%                  |

## Directions:

1. *Intended use: This product is suitable for identification and quantification of the analyte(s), instrument calibration, method development and quality control in analytical and R&D applications. It is not intended for administration to humans or animals, and shall not be used to diagnose, treat or cure any diseases.*
2. *Minimum sample size: 1mg is recommended as the minimum sample size.*
3. *Metrological traceability: This product meets the requirements of ISO 17034 and is traceable to NMI through an unbroken chain of comparisons.*
4. *Instructions for handling and correct use: Handling in a well-ventilated place.*
