

# Certificate of Analysis

## Reference Material & Standard

|                    |                                |                   |                                           |
|--------------------|--------------------------------|-------------------|-------------------------------------------|
| Product Name:      | Strychnine Hydrochloride       | Catalogue Number: | C3D-2557                                  |
| Synonyms:          | N/A                            | Lot Number:       | 1226-SA-7214                              |
| CAS Number:        | 1421-86-9                      | Expiry Date:      | Dec 25, 28                                |
| Molecular Formula: | $C_{21}H_{22}N_2O_2 \cdot HCl$ | Storage:          | 2°C ~ 8°C Protected from light and Sealed |
| Molecular Weight:  | 334.41 36.46                   |                   |                                           |

Chemical Structure:

| Test Items      | Method            | Results             |
|-----------------|-------------------|---------------------|
| Appearance      | Visual inspection | Colourless Solution |
| Identification: | LC&HNMR           | Confirmed           |
| Purity:         | HPLC              | 98.243%             |

## Directions:

- 1. Intended use: This product is suitable for identification and quantification of the analyte(s), instrument calibration, method development and quality control in analytical and R&D applications. It is not intended for administration to humans or animals, and shall not be used to diagnose, treat or cure any diseases.*
- 2. Minimum sample size: 1mg is recommended as the minimum sample size.*
- 3. Metrological traceability: This product meets the requirements of ISO 17034 and is traceable to NMI through an unbroken chain of comparisons.*
- 4. Instructions for handling and correct use: Handling in a well-ventilated place.*
