## Reference Material & Standard

|                     |                                                               |                   |                                           |
|---------------------|---------------------------------------------------------------|-------------------|-------------------------------------------|
| Product Name:       | Fmoc-CIT-OH                                                   | Catalogue Number: | C3D-3107                                  |
| Synonyms:           | N/A                                                           | Lot Number:       | 1012-RE-0067                              |
| CAS Number:         | 133174-15-9                                                   | Expiry Date:      | Oct 16, 2026                              |
| Molecular Formula:  | C <sub>21</sub> H <sub>23</sub> N <sub>3</sub> O <sub>5</sub> | Storage:          | 2°C ~ 8°C Protected from light and Sealed |
| Molecular Weight:   | 397.42                                                        |                   |                                           |
| Chemical Structure: |                                                               |                   |                                           |

| Test Items     | Method               | Results     |
|----------------|----------------------|-------------|
| Appearance     | Visual inspection    | White Solid |
| Identification | LCMS&IR&UV&CNMR&HNMR | Confirmed   |
| Purity         | HPLC                 | 99.2%       |
