

# Certificate of Analysis

## Reference Material & Standard

|                    |                             |                   |                                           |
|--------------------|-----------------------------|-------------------|-------------------------------------------|
| Product Name:      | Capecitabine-d11            | Catalogue Number: | C4X-102430                                |
| Synonyms:          | N/A                         | Lot Number:       | 0419-SA-7148                              |
| CAS Number:        | 1132662-08-8                | Expiry Date:      | Apr 18, 28                                |
| Molecular Formula: | $C_{15}H_{11}D_{11}FN_3O_6$ | Storage:          | 2°C ~ 8°C Protected from light and Sealed |
| Molecular Weight:  | 370.42                      |                   |                                           |

Chemical Structure:

| Test Items      | Method            | Results                             |
|-----------------|-------------------|-------------------------------------|
| Appearance      | Visual inspection | Off-White to Pale Yellow Waxy Solid |
| Identification: | LC&HNMR           | Confirmed                           |
| Purity:         | HPLC              | 96.729%                             |

## Directions:

1. *Intended use: This product is suitable for identification and quantification of the analyte(s), instrument calibration, method development and quality control in analytical and R&D applications. It is not intended for administration to humans or animals, and shall not be used to diagnose, treat or cure any diseases.*
2. *Minimum sample size: 1mg is recommended as the minimum sample size.*
3. *Metrological traceability: This product meets the requirements of ISO 17034 and is traceable to NMI through an unbroken chain of comparisons.*
4. *Instructions for handling and correct use: Handling in a well-ventilated place.*
