## Reference Material & Standard

|                    |                                                                  |                     |                                           |
|--------------------|------------------------------------------------------------------|---------------------|-------------------------------------------|
| Product Name:      | Tedizolid Phosphate                                              | Catalogue Number:   | C4X-10542                                 |
| Synonyms:          | N/A                                                              | Lot Number:         | 0804-RH-0014                              |
| CAS Number:        | 856867-55-5                                                      | Expiry Date:        | Aug 05, 2030                              |
| Molecular Formula: | C <sub>17</sub> H <sub>16</sub> FN <sub>6</sub> O <sub>6</sub> P | Storage:            | 2°C ~ 8°C Protected from light and Sealed |
| Molecular Weight:  | 450.32                                                           | Shipping Condition: | Shipping at Room Temperature              |
| Solubility:        | DMSO                                                             |                     |                                           |

Chemical Structure:

| Test Items     | Method            | Results     |
|----------------|-------------------|-------------|
| Appearance     | Visual inspection | White Solid |
| Identification | LCMS&HNMR         | Confirmed   |
| Purity         | HPLC              | 99.7%       |
| Assay          | qNMR              | 94.5%       |
