

# Certificate of Analysis

## Reference Material & Standard

|                    |                                      |                   |                                           |
|--------------------|--------------------------------------|-------------------|-------------------------------------------|
| Product Name:      | Prasugrel Impurity 11                | Catalogue Number: | C4X-108611                                |
| Synonyms:          | N/A                                  | Lot Number:       | 0214-SA-7372                              |
| CAS Number:        | 1359829-52-9                         | Expiry Date:      | Feb 13, 28                                |
| Molecular Formula: | C <sub>11</sub> H <sub>10</sub> BrFO | Storage:          | 2°C ~ 8°C Protected from light and Sealed |
| Molecular Weight:  | 257.10                               |                   |                                           |

Chemical Structure:

| Test Items      | Method            | Results                                          |
|-----------------|-------------------|--------------------------------------------------|
| Appearance      | Visual inspection | Colourless to Off-White Oil to Low-Melting Solid |
| Identification: | LC&HNMR           | Confirmed                                        |
| Purity:         | HPLC              | 98.884%                                          |

## Directions:

1. *Intended use: This product is suitable for identification and quantification of the analyte(s), instrument calibration, method development and quality control in analytical and R&D applications. It is not intended for administration to humans or animals, and shall not be used to diagnose, treat or cure any diseases.*
2. *Minimum sample size: 1mg is recommended as the minimum sample size.*
3. *Metrological traceability: This product meets the requirements of ISO 17034 and is traceable to NMI through an unbroken chain of comparisons.*
4. *Instructions for handling and correct use: Handling in a well-ventilated place.*
