## Reference Material & Standard

|                    |                                                                |                     |                                                                                      |
|--------------------|----------------------------------------------------------------|---------------------|--------------------------------------------------------------------------------------|
| Product Name:      | Citalopram EP Impurity A                                       | Catalogue Number:   | C4X-11091                                                                            |
| Synonyms:          | N/A                                                            | Lot Number:         | 0612-RH-0092                                                                         |
| CAS Number:        | 64372-56-1                                                     | Expiry Date:        | Jun 16, 2030                                                                         |
| Molecular Formula: | C <sub>20</sub> H <sub>23</sub> FN <sub>2</sub> O <sub>2</sub> | Storage:            | 2°C ~ 8°C Protected from light and Sealed                                            |
| Molecular Weight:  | 342.41                                                         | Shipping Condition: | Shipping at Room Temperature                                                         |
| Solubility:        | Acetonitrile                                                   | Warning:            |  |

Chemical Structure:

| Test Items     | Method            | Results     |
|----------------|-------------------|-------------|
| Appearance     | Visual inspection | White Solid |
| Identification | LCMS&HNMR         | Confirmed   |
| Purity         | HPLC              | 98.1%       |
| Assay          | qNMR              | 98.0%       |
