## Reference Material & Standard

|                           |                                                                                |                            |                                           |
|---------------------------|--------------------------------------------------------------------------------|----------------------------|-------------------------------------------|
| <b>Product Name:</b>      | Lansoprazole Impurity 39                                                       | <b>Catalogue Number:</b>   | C4X-111339                                |
| <b>Synonyms:</b>          | N/A                                                                            | <b>Lot Number:</b>         | 0209-RH-0191                              |
| <b>CAS Number:</b>        | 1187926-84-6                                                                   | <b>Expiry Date:</b>        | Feb 11, 2030                              |
| <b>Molecular Formula:</b> | C <sub>18</sub> H <sub>15</sub> F <sub>6</sub> N <sub>3</sub> O <sub>2</sub> S | <b>Storage:</b>            | 2°C ~ 8°C Protected from light and Sealed |
| <b>Molecular Weight:</b>  | 451.39                                                                         | <b>Shipping Condition:</b> | Shipping at Room Temperature              |
| <b>Solubility:</b>        | Acetonitrile                                                                   |                            |                                           |

Chemical Structure:

| Test Items     | Method            | Results           |
|----------------|-------------------|-------------------|
| Appearance     | Visual inspection | Pale Purple Solid |
| Identification | LCMS&FNMR&HNMR    | Confirmed         |
| Purity         | HPLC              | 99.7%             |
