

# Certificate of Analysis

## Reference Material & Standard

|                    |                                              |                   |                                           |
|--------------------|----------------------------------------------|-------------------|-------------------------------------------|
| Product Name:      | Olaparib Impurity 81                         | Catalogue Number: | C4X-113581                                |
| Synonyms:          | N/A                                          | Lot Number:       | 0405-SA-7253                              |
| CAS Number:        | 4122-57-0                                    | Expiry Date:      | Apr 04, 29                                |
| Molecular Formula: | C <sub>9</sub> H <sub>8</sub> O <sub>3</sub> | Storage:          | 2°C ~ 8°C Protected from light and Sealed |
| Molecular Weight:  | 164.16                                       |                   |                                           |

Chemical Structure:

| Test Items      | Method            | Results         |
|-----------------|-------------------|-----------------|
| Appearance      | Visual inspection | Off-White Solid |
| Identification: | LC&HNMR           | Confirmed       |
| Purity:         | HPLC              | 97.552%         |

## Directions:

1. *Intended use: This product is suitable for identification and quantification of the analyte(s), instrument calibration, method development and quality control in analytical and R&D applications. It is not intended for administration to humans or animals, and shall not be used to diagnose, treat or cure any diseases.*
2. *Minimum sample size: 1mg is recommended as the minimum sample size.*
3. *Metrological traceability: This product meets the requirements of ISO 17034 and is traceable to NMI through an unbroken chain of comparisons.*
4. *Instructions for handling and correct use: Handling in a well-ventilated place.*
