

# Certificate of Analysis

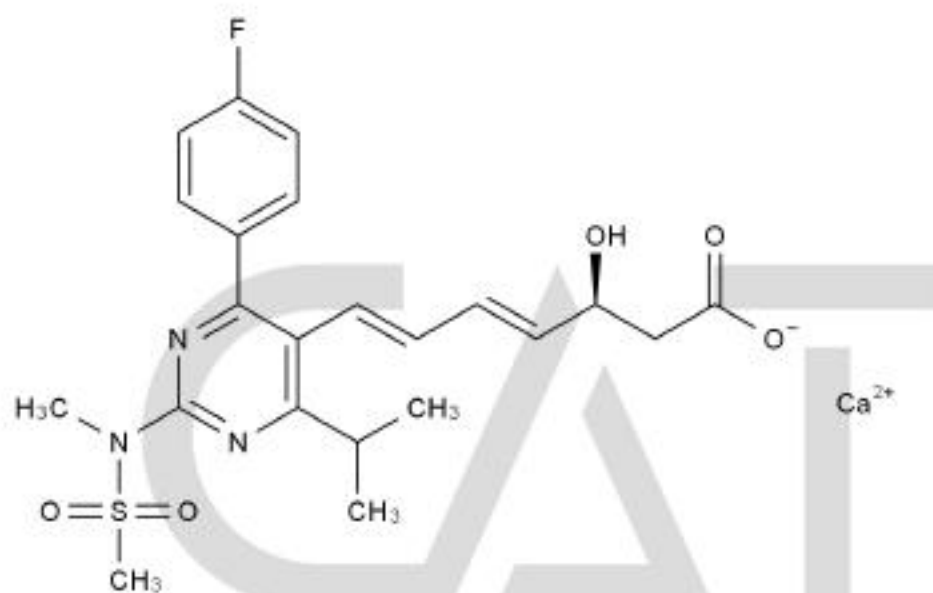

## Reference Material & Standard

|                           |                                                                     |                          |                                           |
|---------------------------|---------------------------------------------------------------------|--------------------------|-------------------------------------------|
| <b>Product Name:</b>      | Rosuvastatin Impurity 14                                            | <b>Catalogue Number:</b> | C4X-116914                                |
| <b>Synonyms:</b>          | N/A                                                                 | <b>Lot Number:</b>       | 0328-SA-7890                              |
| <b>CAS Number:</b>        | 1422954-13-9(free base)                                             | <b>Expiry Date:</b>      | Mar 27, 29                                |
| <b>Molecular Formula:</b> | C <sub>22</sub> H <sub>25</sub> FN <sub>3</sub> O <sub>5</sub> S Ca | <b>Storage:</b>          | 2°C ~ 8°C Protected from light and Sealed |
| <b>Molecular Weight:</b>  | 462.51 40.08                                                        |                          |                                           |

**Warning:**

**Chemical Structure:**

| Test Items      | Method            | Results   |
|-----------------|-------------------|-----------|
| Appearance      | Visual inspection | Solid     |
| Identification: | LC&HNMR           | Confirmed |
| Purity:         | HPLC              | 96.785%   |

## Directions:

- 1. Intended use: This product is suitable for identification and quantification of the analyte(s), instrument calibration, method development and quality control in analytical and R&D applications. It is not intended for administration to humans or animals, and shall not be used to diagnose, treat or cure any diseases.*
- 2. Minimum sample size: 1mg is recommended as the minimum sample size.*
- 3. Metrological traceability: This product meets the requirements of ISO 17034 and is traceable to NMI through an unbroken chain of comparisons.*
- 4. Instructions for handling and correct use: Handling in a well-ventilated place.*
