## Reference Material & Standard

|                    |                                                                  |                   |                                           |
|--------------------|------------------------------------------------------------------|-------------------|-------------------------------------------|
| Product Name:      | Rosuvastatin Impurity 36                                         | Catalogue Number: | C4X-116936                                |
| Synonyms:          | N/A                                                              | Lot Number:       | 1122-SA-7785                              |
| CAS Number:        | 147118-40-9                                                      | Expiry Date:      | Nov 21, 27                                |
| Molecular Formula: | C <sub>23</sub> H <sub>30</sub> FN <sub>3</sub> O <sub>6</sub> S | Storage:          | 2°C ~ 8°C Protected from light and Sealed |
| Molecular Weight:  | 495.56                                                           |                   |                                           |

Warning:

Chemical Structure:

| Test Items      | Method            | Results                  |
|-----------------|-------------------|--------------------------|
| Appearance      | Visual inspection | White to Off-White Solid |
| Identification: | LC&HNMR           | Confirmed                |
| Purity:         | HPLC              | 96.975%                  |

## Directions:

1. *Intended use: This product is suitable for identification and quantification of the analyte(s), instrument calibration, method development and quality control in analytical and R&D applications. It is not intended for administration to humans or animals, and shall not be used to diagnose, treat or cure any diseases.*
2. *Minimum sample size: 1mg is recommended as the minimum sample size.*
3. *Metrological traceability: This product meets the requirements of ISO 17034 and is traceable to NMI through an unbroken chain of comparisons.*
4. *Instructions for handling and correct use: Handling in a well-ventilated place.*
