## Reference Material & Standard

|                    |                                                                          |                   |                                           |
|--------------------|--------------------------------------------------------------------------|-------------------|-------------------------------------------|
| Product Name:      | Lamivudine-13C-15N2                                                      | Catalogue Number: | C4X-119426                                |
| Synonyms:          | N/A                                                                      | Lot Number:       | 0921-SA-7993                              |
| CAS Number:        | 134678-17-4 (unlabelled)                                                 | Expiry Date:      | Sep 20, 27                                |
| Molecular Formula: | C <sub>7</sub> [13C]H <sub>11</sub> N[15N] <sub>2</sub> O <sub>3</sub> S | Storage:          | 2°C ~ 8°C Protected from light and Sealed |
| Molecular Weight:  | 232.24                                                                   |                   |                                           |

Chemical Structure:

| Test Items      | Method            | Results   |
|-----------------|-------------------|-----------|
| Appearance      | Visual inspection | Solid     |
| Identification: | LC&HNMR           | Confirmed |
| Purity:         | HPLC              | 97.638%   |

## Directions:

1. *Intended use: This product is suitable for identification and quantification of the analyte(s), instrument calibration, method development and quality control in analytical and R&D applications. It is not intended for administration to humans or animals, and shall not be used to diagnose, treat or cure any diseases.*
2. *Minimum sample size: 1mg is recommended as the minimum sample size.*
3. *Metrological traceability: This product meets the requirements of ISO 17034 and is traceable to NMI through an unbroken chain of comparisons.*
4. *Instructions for handling and correct use: Handling in a well-ventilated place.*
