## Reference Material & Standard

|                           |                                                                  |                            |                                                                                      |
|---------------------------|------------------------------------------------------------------|----------------------------|--------------------------------------------------------------------------------------|
| <b>Product Name:</b>      | Fluphenazine Decanoate EP Impurity B                             | <b>Catalogue Number:</b>   | C4X-12312                                                                            |
| <b>Synonyms:</b>          | N/A                                                              | <b>Lot Number:</b>         | 1030-RG-0090                                                                         |
| <b>CAS Number:</b>        | 69-23-8                                                          | <b>Expiry Date:</b>        | Nov 04, 2029                                                                         |
| <b>Molecular Formula:</b> | C <sub>22</sub> H <sub>26</sub> F <sub>3</sub> N <sub>3</sub> OS | <b>Storage:</b>            | -20°C±5°C Protected from light and Sealed                                            |
| <b>Molecular Weight:</b>  | 437.52                                                           | <b>Shipping Condition:</b> | Shipping with Ice Packs                                                              |
| <b>Solubility:</b>        | Acetonitrile                                                     | <b>Warning:</b>            |  |

Chemical Structure:

| Test Items     | Method            | Results                  |
|----------------|-------------------|--------------------------|
| Appearance     | Visual inspection | Light Green Sticky Solid |
| Identification | LCMS&HNMR         | Confirmed                |
| Purity         | HPLC              | 96.9%                    |
