

# Certificate of Analysis

### Reference Material & Standard

|                           |                                                                     |                          |                                           |
|---------------------------|---------------------------------------------------------------------|--------------------------|-------------------------------------------|
| <b>Product Name:</b>      | Tirofiban Impurity 107 HCl                                          | <b>Catalogue Number:</b> | C4X-1254107                               |
| <b>Synonyms:</b>          | N/A                                                                 | <b>Lot Number:</b>       | 0310-SA-7498                              |
| <b>CAS Number:</b>        | N/A                                                                 | <b>Expiry Date:</b>      | Mar 09, 29                                |
| <b>Molecular Formula:</b> | C <sub>23</sub> H <sub>38</sub> N <sub>2</sub> O <sub>5</sub> S HCl | <b>Storage:</b>          | 2°C ~ 8°C Protected from light and Sealed |
| <b>Molecular Weight:</b>  | 454.62 36.46                                                        |                          |                                           |

**Warning:**

**Chemical Structure:**

| Test Items      | Method            | Results   |
|-----------------|-------------------|-----------|
| Appearance      | Visual inspection | Solid     |
| Identification: | LC&HNMR           | Confirmed |
| Purity:         | HPLC              | 98.724%   |

## Directions:

1. *Intended use: This product is suitable for identification and quantification of the analyte(s), instrument calibration, method development and quality control in analytical and R&D applications. It is not intended for administration to humans or animals, and shall not be used to diagnose, treat or cure any diseases.*
2. *Minimum sample size: 1mg is recommended as the minimum sample size.*
3. *Metrological traceability: This product meets the requirements of ISO 17034 and is traceable to NMI through an unbroken chain of comparisons.*
4. *Instructions for handling and correct use: Handling in a well-ventilated place.*
