

# Certificate of Analysis

## Reference Material & Standard

|                    |                                              |                     |                                                                                      |
|--------------------|----------------------------------------------|---------------------|--------------------------------------------------------------------------------------|
| Product Name:      | Mesalazine EP Impurity G                     | Catalogue Number:   | C4X-13247                                                                            |
| Synonyms:          | N/A                                          | Lot Number:         | 0810-RH-0037                                                                         |
| CAS Number:        | 490-79-9                                     | Expiry Date:        | Aug 10, 2030                                                                         |
| Molecular Formula: | C <sub>7</sub> H <sub>6</sub> O <sub>4</sub> | Storage:            | 2°C ~ 8°C Protected from light and Sealed                                            |
| Molecular Weight:  | 154.12                                       | Shipping Condition: | Shipping at Room Temperature                                                         |
| Solubility:        | Acetonitrile                                 | Warning:            |  |

Chemical Structure:

| Test Items     | Method            | Results         |
|----------------|-------------------|-----------------|
| Appearance     | Visual inspection | Off-White Solid |
| Identification | LCMS&HNMR         | Confirmed       |
| Purity         | HPLC              | 100.0%          |
| Assay          | qNMR              | 98.7%           |
