## Reference Material & Standard

|                    |                                                                                  |                   |                                           |
|--------------------|----------------------------------------------------------------------------------|-------------------|-------------------------------------------|
| Product Name:      | Avibactam Impurity 66                                                            | Catalogue Number: | C4X-134866                                |
| Synonyms:          | N/A                                                                              | Lot Number:       | 1021-SA-7530                              |
| CAS Number:        | N/A                                                                              | Expiry Date:      | Oct 20, 28                                |
| Molecular Formula: | C <sub>6</sub> H <sub>11</sub> N <sub>3</sub> O <sub>8</sub> S <sub>2</sub> 2*Na | Storage:          | 2°C ~ 8°C Protected from light and Sealed |
| Molecular Weight:  | 317.30 2*22.99                                                                   |                   |                                           |

Warning:

Chemical Structure:

| Test Items      | Method            | Results   |
|-----------------|-------------------|-----------|
| Appearance      | Visual inspection | Solid     |
| Identification: | LC&HNMR           | Confirmed |
| Purity:         | HPLC              | 98.220%   |

## Directions:

- 1. Intended use: This product is suitable for identification and quantification of the analyte(s), instrument calibration, method development and quality control in analytical and R&D applications. It is not intended for administration to humans or animals, and shall not be used to diagnose, treat or cure any diseases.*
- 2. Minimum sample size: 1mg is recommended as the minimum sample size.*
- 3. Metrological traceability: This product meets the requirements of ISO 17034 and is traceable to NMI through an unbroken chain of comparisons.*
- 4. Instructions for handling and correct use: Handling in a well-ventilated place.*
