## Reference Material & Standard

|                           |                                                               |                            |                                           |
|---------------------------|---------------------------------------------------------------|----------------------------|-------------------------------------------|
| <b>Product Name:</b>      | Zolmitriptan EP Impurity B                                    | <b>Catalogue Number:</b>   | C4X-13512                                 |
| <b>Synonyms:</b>          | N/A                                                           | <b>Lot Number:</b>         | 1202-RG-0054                              |
| <b>CAS Number:</b>        | 251451-30-6                                                   | <b>Expiry Date:</b>        | Jul 13, 2030                              |
| <b>Molecular Formula:</b> | C <sub>16</sub> H <sub>21</sub> N <sub>3</sub> O <sub>3</sub> | <b>Storage:</b>            | 2°C ~ 8°C Protected from light and Sealed |
| <b>Molecular Weight:</b>  | 303.36                                                        | <b>Shipping Condition:</b> | Shipping at Room Temperature              |
| <b>Solubility:</b>        | Water                                                         |                            |                                           |

Chemical Structure:

| Test Items     | Method            | Results            |
|----------------|-------------------|--------------------|
| Appearance     | Visual inspection | Light Yellow Solid |
| Identification | LCMS&IR&HNMR      | Confirmed          |
| Purity         | HPLC              | 98.590%            |
| Loss on Drying | TGA               | 3.9090%            |
| Assay          |                   | 94.7%              |

## Comment:

The calculation of the mass balance method follows the formula (calculated on the non-dried basis):

Assay (%) = (100% - Loss on Drying) \* Purity HPLC (%) / 100%

Loss on Drying is considered as absolute effect, HPLC purity is considered as relative effect.
