

# Certificate of Analysis

## Reference Material & Standard

|                    |                                                                             |                   |                                           |
|--------------------|-----------------------------------------------------------------------------|-------------------|-------------------------------------------|
| Product Name:      | Famotidine Impurity 32                                                      | Catalogue Number: | C4X-139232                                |
| Synonyms:          | N/A                                                                         | Lot Number:       | 0604-SA-7756                              |
| CAS Number:        | 154754-59-3                                                                 | Expiry Date:      | Jun 03, 28                                |
| Molecular Formula: | C <sub>9</sub> H <sub>15</sub> N <sub>7</sub> O <sub>2</sub> S <sub>3</sub> | Storage:          | 2°C ~ 8°C Protected from light and Sealed |
| Molecular Weight:  | 349.46                                                                      |                   |                                           |

Chemical Structure:

| Test Items      | Method            | Results   |
|-----------------|-------------------|-----------|
| Appearance      | Visual inspection | Solid     |
| Identification: | LC&HNMR           | Confirmed |
| Purity:         | HPLC              | 97.606%   |

## Directions:

- 1. Intended use: This product is suitable for identification and quantification of the analyte(s), instrument calibration, method development and quality control in analytical and R&D applications. It is not intended for administration to humans or animals, and shall not be used to diagnose, treat or cure any diseases.*
- 2. Minimum sample size: 1mg is recommended as the minimum sample size.*
- 3. Metrological traceability: This product meets the requirements of ISO 17034 and is traceable to NMI through an unbroken chain of comparisons.*
- 4. Instructions for handling and correct use: Handling in a well-ventilated place.*
