## Reference Material & Standard

|                    |                                                                               |                   |                                           |
|--------------------|-------------------------------------------------------------------------------|-------------------|-------------------------------------------|
| Product Name:      | Aceclofenac Impurity 11                                                       | Catalogue Number: | C4X-153111                                |
| Synonyms:          | N/A                                                                           | Lot Number:       | 1024-RG-0110                              |
| CAS Number:        | 2517857-21-3                                                                  | Expiry Date:      | Oct 28, 2029                              |
| Molecular Formula: | C <sub>20</sub> H <sub>22</sub> Cl <sub>2</sub> N <sub>2</sub> O <sub>2</sub> | Storage:          | 2°C ~ 8°C Protected from light and Sealed |
| Molecular Weight:  | 393.31                                                                        |                   |                                           |
| Solubility:        | Acetonitrile                                                                  |                   |                                           |

Chemical Structure:

| Test Items     | Method            | Results     |
|----------------|-------------------|-------------|
| Appearance     | Visual inspection | White Solid |
| Identification | LCMS&HNMR         | Confirmed   |
| Purity         | HPLC              | 99.4%       |
| Assay          | qNMR              | 96.7%       |
