## Reference Material & Standard

|                    |                                                                              |                     |                                           |
|--------------------|------------------------------------------------------------------------------|---------------------|-------------------------------------------|
| Product Name:      | SN-38-D3                                                                     | Catalogue Number:   | C4X-15716                                 |
| Synonyms:          | N/A                                                                          | Lot Number:         | 0104-RH-0051                              |
| CAS Number:        | 718612-49-8                                                                  | Expiry Date:        | Feb 13, 2029                              |
| Molecular Formula: | C <sub>22</sub> H <sub>17</sub> D <sub>3</sub> N <sub>2</sub> O <sub>5</sub> | Storage:            | -20°C±5°C Protected from light and Sealed |
| Molecular Weight:  | 395.42                                                                       | Shipping Condition: | Shipping with Ice Packs                   |

Chemical Structure:

| Test Items      | Method            | Results           |
|-----------------|-------------------|-------------------|
| Appearance      | Visual inspection | Pale Yellow Solid |
| Identification  | LCMS&HNMR         | Confirmed         |
| Chemical Purity | HPLC              | 96.4%             |
| Isotopic Purity |                   | 99.2%             |
