

# Certificate of Analysis

## Reference Material & Standard

|                    |                                                |                   |                                           |
|--------------------|------------------------------------------------|-------------------|-------------------------------------------|
| Product Name:      | Ticarcillin EP Impurity B                      | Catalogue Number: | C4X-17632                                 |
| Synonyms:          | N/A                                            | Lot Number:       | 0303-SA-7886                              |
| CAS Number:        | 6964-21-2                                      | Expiry Date:      | Mar 02, 28                                |
| Molecular Formula: | C <sub>6</sub> H <sub>6</sub> O <sub>2</sub> S | Storage:          | 2°C ~ 8°C Protected from light and Sealed |
| Molecular Weight:  | 142.18                                         |                   |                                           |

Chemical Structure:

| Test Items      | Method            | Results                                    |
|-----------------|-------------------|--------------------------------------------|
| Appearance      | Visual inspection | White to orange to green powder to crystal |
| Identification: | LC&HNMR           | Confirmed                                  |
| Purity:         | HPLC              | 98.768%                                    |

## Directions:

1. *Intended use: This product is suitable for identification and quantification of the analyte(s), instrument calibration, method development and quality control in analytical and R&D applications. It is not intended for administration to humans or animals, and shall not be used to diagnose, treat or cure any diseases.*
2. *Minimum sample size: 1mg is recommended as the minimum sample size.*
3. *Metrological traceability: This product meets the requirements of ISO 17034 and is traceable to NMI through an unbroken chain of comparisons.*
4. *Instructions for handling and correct use: Handling in a well-ventilated place.*
