

# Certificate of Analysis

## Reference Material & Standard

|                    |                                    |                     |                                                                                      |
|--------------------|------------------------------------|---------------------|--------------------------------------------------------------------------------------|
| Product Name:      | Xylometazoline EP Impurity B       | Catalogue Number:   | C4X-17823                                                                            |
| Synonyms:          | N/A                                | Lot Number:         | 0509-RH-0062                                                                         |
| CAS Number:        | 19387-83-8                         | Expiry Date:        | May 17, 2030                                                                         |
| Molecular Formula: | C <sub>13</sub> H <sub>19</sub> Cl | Storage:            | 2°C ~ 8°C Protected from light and Sealed                                            |
| Molecular Weight:  | 210.74                             | Shipping Condition: | Shipping at Room Temperature                                                         |
| Solubility:        | Acetonitrile                       | Warning:            |  |

Chemical Structure:

| Test Items     | Method            | Results           |
|----------------|-------------------|-------------------|
| Appearance     | Visual inspection | Colourless Liquid |
| Identification | LCMS&HNMR         | Confirmed         |
| Purity         | HPLC              | 97.3%             |
| Assay          | qNMR              | 86.3%             |
