## Reference Material & Standard

|                    |                                                |                     |                                           |
|--------------------|------------------------------------------------|---------------------|-------------------------------------------|
| Product Name:      | Teprenone Impurity 25                          | Catalogue Number:   | C4X-208125                                |
| Synonyms:          | N/A                                            | Lot Number:         | 0609-RH-0018                              |
| CAS Number:        | N/A                                            | Expiry Date:        | Dec 08, 2029                              |
| Molecular Formula: | C <sub>23</sub> H <sub>38</sub> O <sub>2</sub> | Storage:            | 2°C ~ 8°C Protected from light and Sealed |
| Molecular Weight:  | 346.55                                         | Shipping Condition: | Shipping at Room Temperature              |

| Test Items     | Method            | Results        |
|----------------|-------------------|----------------|
| Appearance     | Visual inspection | Colourless Oil |
| Identification | LCMS&HNMR         | Confirmed      |
| Purity         | HPLC              | 97.3%          |
| Assay          | qNMR              | 91.6%          |
