

# Certificate of Analysis

## Reference Material & Standard

|                    |                                                                 |                   |                                           |
|--------------------|-----------------------------------------------------------------|-------------------|-------------------------------------------|
| Product Name:      | Remdesivir Impurity 49                                          | Catalogue Number: | C4X-210049                                |
| Synonyms:          | N/A                                                             | Lot Number:       | 0307-SA-7543                              |
| CAS Number:        | N/A                                                             | Expiry Date:      | Mar 06, 28                                |
| Molecular Formula: | C <sub>27</sub> H <sub>37</sub> N <sub>6</sub> O <sub>9</sub> P | Storage:          | -20°C±5°C Protected from light and Sealed |
| Molecular Weight:  | 620.59                                                          |                   |                                           |

Warning:

Chemical Structure:

| Test Items      | Method            | Results   |
|-----------------|-------------------|-----------|
| Appearance      | Visual inspection | Solid     |
| Identification: | LC&HNMR           | Confirmed |
| Purity:         | HPLC              | 98.347%   |

## Directions:

1. *Intended use: This product is suitable for identification and quantification of the analyte(s), instrument calibration, method development and quality control in analytical and R&D applications. It is not intended for administration to humans or animals, and shall not be used to diagnose, treat or cure any diseases.*
2. *Minimum sample size: 1mg is recommended as the minimum sample size.*
3. *Metrological traceability: This product meets the requirements of ISO 17034 and is traceable to NMI through an unbroken chain of comparisons.*
4. *Instructions for handling and correct use: Handling in a well-ventilated place.*
