

# Certificate of Analysis

## Reference Material & Standard

|                    |                                                                                              |                     |                                           |
|--------------------|----------------------------------------------------------------------------------------------|---------------------|-------------------------------------------|
| Product Name:      | Favipiravir-13C3                                                                             | Catalogue Number:   | C4X-210210                                |
| Synonyms:          | N/A                                                                                          | Lot Number:         | 0520-RH-0009                              |
| CAS Number:        | N/A                                                                                          | Expiry Date:        | May 05, 2028                              |
| Molecular Formula: | C <sub>2</sub> [ <sup>13</sup> C] <sub>3</sub> H <sub>4</sub> FN <sub>3</sub> O <sub>2</sub> | Storage:            | 2°C ~ 8°C Protected from light and Sealed |
| Molecular Weight:  | 160.08                                                                                       | Shipping Condition: | Shipping at Room Temperature              |

Chemical Structure:

| Test Items      | Method            | Results                  |
|-----------------|-------------------|--------------------------|
| Appearance      | Visual inspection | White to Off-White Solid |
| Identification  | LCMS&FNMR&HNMR    | Confirmed                |
| Chemical Purity | HPLC              | 99.6%                    |
| Isotopic Purity |                   | 98.8%                    |
