

# Certificate of Analysis

## Reference Material & Standard

|                    |                                                                                |                   |                                           |
|--------------------|--------------------------------------------------------------------------------|-------------------|-------------------------------------------|
| Product Name:      | [D-β-Asp5]-Atosiban                                                            | Catalogue Number: | C4X-229337                                |
| Synonyms:          | N/A                                                                            | Lot Number:       | 0730-RG-0055                              |
| CAS Number:        | N/A                                                                            | Expiry Date:      | Aug 03, 2026                              |
| Molecular Formula: | C <sub>43</sub> H <sub>66</sub> N <sub>10</sub> O <sub>13</sub> S <sub>2</sub> | Storage:          | 2°C ~ 8°C Protected from light and Sealed |
| Molecular Weight:  | 995.17                                                                         |                   |                                           |

Chemical Structure:

| Test Items     | Method                      | Results     |
|----------------|-----------------------------|-------------|
| Appearance     | Visual inspection           | White Solid |
| Identification | LCMS&HNMR&Sequence Analysis | Confirmed   |
| Purity         | HPLC                        | 100.0%      |
| Assay          | qNMR                        | 88.2%       |
