

# Certificate of Analysis

## Reference Material & Standard

|                    |                                                                                              |                   |                                           |
|--------------------|----------------------------------------------------------------------------------------------|-------------------|-------------------------------------------|
| Product Name:      | Dotinurad Impurity 71                                                                        | Catalogue Number: | C4X-249471                                |
| Synonyms:          | N/A                                                                                          | Lot Number:       | 1204-SA-7906                              |
| CAS Number:        | N/A                                                                                          | Expiry Date:      | Dec 03, 28                                |
| Molecular Formula: | C <sub>22</sub> H <sub>20</sub> Cl <sub>2</sub> N <sub>2</sub> O <sub>2</sub> S <sub>2</sub> | Storage:          | -20°C±5°C Protected from light and Sealed |
| Molecular Weight:  | 479.44                                                                                       |                   |                                           |

Chemical Structure:

| Test Items      | Method            | Results   |
|-----------------|-------------------|-----------|
| Appearance      | Visual inspection | Solid     |
| Identification: | LC&HNMR           | Confirmed |
| Purity:         | HPLC              | 98.331%   |

## Directions:

1. *Intended use: This product is suitable for identification and quantification of the analyte(s), instrument calibration, method development and quality control in analytical and R&D applications. It is not intended for administration to humans or animals, and shall not be used to diagnose, treat or cure any diseases.*
2. *Minimum sample size: 1mg is recommended as the minimum sample size.*
3. *Metrological traceability: This product meets the requirements of ISO 17034 and is traceable to NMI through an unbroken chain of comparisons.*
4. *Instructions for handling and correct use: Handling in a well-ventilated place.*
