

# Certificate of Analysis

## Reference Material & Standard

|                    |                                 |                   |                                           |
|--------------------|---------------------------------|-------------------|-------------------------------------------|
| Product Name:      | Phosphoric Acid                 | Catalogue Number: | C4X-25891                                 |
| Synonyms:          | N/A                             | Lot Number:       | 0702-SA-7043                              |
| CAS Number:        | 7664-38-2                       | Expiry Date:      | Jul 01, 27                                |
| Molecular Formula: | H <sub>3</sub> O <sub>4</sub> P | Storage:          | 2°C ~ 8°C Protected from light and Sealed |
| Molecular Weight:  | 98.00                           |                   |                                           |

Warning:

Chemical Structure:

| Test Items      | Method            | Results                                                |
|-----------------|-------------------|--------------------------------------------------------|
| Appearance      | Visual inspection | Colourless to Off-White<br>Liquid to Low-Melting Solid |
| Identification: | LC&HNMR           | Confirmed                                              |
| Purity:         | HPLC              | 98.214%                                                |

## Directions:

1. *Intended use: This product is suitable for identification and quantification of the analyte(s), instrument calibration, method development and quality control in analytical and R&D applications. It is not intended for administration to humans or animals, and shall not be used to diagnose, treat or cure any diseases.*
2. *Minimum sample size: 1mg is recommended as the minimum sample size.*
3. *Metrological traceability: This product meets the requirements of ISO 17034 and is traceable to NMI through an unbroken chain of comparisons.*
4. *Instructions for handling and correct use: Handling in a well-ventilated place.*
