

# Certificate of Analysis

## Reference Material & Standard

|                           |                                                               |                            |                                           |
|---------------------------|---------------------------------------------------------------|----------------------------|-------------------------------------------|
| <b>Product Name:</b>      | Pemafibrate Impurity 72                                       | <b>Catalogue Number:</b>   | C4X-290372                                |
| <b>Synonyms:</b>          | N/A                                                           | <b>Lot Number:</b>         | 0417-RH-0062                              |
| <b>CAS Number:</b>        | N/A                                                           | <b>Expiry Date:</b>        | Apr 19, 2030                              |
| <b>Molecular Formula:</b> | C <sub>32</sub> H <sub>36</sub> N <sub>2</sub> O <sub>8</sub> | <b>Storage:</b>            | 2°C ~ 8°C Protected from light and Sealed |
| <b>Molecular Weight:</b>  | 576.64                                                        | <b>Shipping Condition:</b> | Shipping at Room Temperature              |

### Chemical Structure:

| Test Items        | Method            | Results             |
|-------------------|-------------------|---------------------|
| Appearance        | Visual inspection | Off-White Solid     |
| Identification    | LCMS&UV&HNMR      | Confirmed           |
| Purity            | HPLC              | 96.918%             |
| Water Content     | Karl Fischer      | 0.15%               |
| Residual Solvents | NMR               | Not detected in NMR |
| Assay             |                   | 96.8%               |

### Comment:

The calculation of the mass balance method follows the formula (calculated on the non-dried basis):

Assay (%) = (100% - Water Content - Residual Solvents) \* Purity HPLC (%) / 100%

Water Content and Residual Solvents are considered as absolute effect, HPLC purity is considered as relative effect.
