

# Certificate of Analysis

## Reference Material & Standard

|                    |                                                                  |                   |                                           |
|--------------------|------------------------------------------------------------------|-------------------|-------------------------------------------|
| Product Name:      | Lurbinectedin Impurity 13                                        | Catalogue Number: | C4X-311413                                |
| Synonyms:          | N/A                                                              | Lot Number:       | 1024-SA-7430                              |
| CAS Number:        | N/A                                                              | Expiry Date:      | Oct 23, 27                                |
| Molecular Formula: | C <sub>41</sub> H <sub>46</sub> N <sub>4</sub> O <sub>11</sub> S | Storage:          | 2°C ~ 8°C Protected from light and Sealed |
| Molecular Weight:  | 802.89                                                           |                   |                                           |

## Chemical Structure:

| Test Items      | Method            | Results   |
|-----------------|-------------------|-----------|
| Appearance      | Visual inspection | Solid     |
| Identification: | LC&HNMR           | Confirmed |
| Purity:         | HPLC              | 98.599%   |

## Directions:

1. *Intended use: This product is suitable for identification and quantification of the analyte(s), instrument calibration, method development and quality control in analytical and R&D applications. It is not intended for administration to humans or animals, and shall not be used to diagnose, treat or cure any diseases.*
2. *Minimum sample size: 1mg is recommended as the minimum sample size.*
3. *Metrological traceability: This product meets the requirements of ISO 17034 and is traceable to NMI through an unbroken chain of comparisons.*
4. *Instructions for handling and correct use: Handling in a well-ventilated place.*
