

# Certificate of Analysis

## Reference Material & Standard

|                    |                                      |                   |                                           |
|--------------------|--------------------------------------|-------------------|-------------------------------------------|
| Product Name:      | Samidorphan L-malate                 | Catalogue Number: | C4X-33095                                 |
| Synonyms:          | N/A                                  | Lot Number:       | 1214-SA-7990                              |
| CAS Number:        | 1204592-75-5                         | Expiry Date:      | Dec 13, 27                                |
| Molecular Formula: | $C_{21}H_{26}N_2O_4 \cdot C_4H_6O_5$ | Storage:          | 2°C ~ 8°C Protected from light and Sealed |
| Molecular Weight:  | 370.44 134.09                        |                   |                                           |

Chemical Structure:

| Test Items      | Method            | Results   |
|-----------------|-------------------|-----------|
| Appearance      | Visual inspection | Solid     |
| Identification: | LC&HNMR           | Confirmed |
| Purity:         | HPLC              | 98.627%   |

## Directions:

1. *Intended use: This product is suitable for identification and quantification of the analyte(s), instrument calibration, method development and quality control in analytical and R&D applications. It is not intended for administration to humans or animals, and shall not be used to diagnose, treat or cure any diseases.*
2. *Minimum sample size: 1mg is recommended as the minimum sample size.*
3. *Metrological traceability: This product meets the requirements of ISO 17034 and is traceable to NMI through an unbroken chain of comparisons.*
4. *Instructions for handling and correct use: Handling in a well-ventilated place.*
