## Reference Material & Standard

|                     |                                                 |                   |                                           |
|---------------------|-------------------------------------------------|-------------------|-------------------------------------------|
| Product Name:       | Mebeverine Acid                                 | Catalogue Number: | CCHM705699                                |
| Synonyms:           | N/A                                             | Lot Number:       | 0707-RE-0068                              |
| CAS Number:         | 475203-77-1                                     | Expiry Date:      | Aug 22, 2025                              |
| Molecular Formula:  | C <sub>16</sub> H <sub>25</sub> NO <sub>3</sub> | Storage:          | -20°C±5°C Protected from light and Sealed |
| Molecular Weight:   | 279.37                                          |                   |                                           |
| Chemical Structure: |                                                 |                   |                                           |

| Test Items     | Method            | Results                  |
|----------------|-------------------|--------------------------|
| Appearance     | Visual inspection | White to Off-White Solid |
| Identification | LCMS&HNMR         | Confirmed                |
| Purity         | HPLC              | 99.7%                    |
| Uncertainty    |                   | ±2.0%                    |

## Comment:

The uncertainty values are the expanded uncertainty and represent an estimated standard deviation equal to the positive square root of the total variation of the uncertainty of components. A normal distribution is assumed and a coverage factor of K=2 is chosen using approximately a 95% confidence level.
